

## Project Management 101: Project Teams That Really Work (Paperback)

---

By Mike Small

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What if you could invest just one hour of your life to double the likelihood of success for any project that you are a part of? Would you do it? This book contains knowledge gained from 18 years of hard-won experience discovering what makes the best resource groups work together almost flawlessly and how to make any project team the very best it can be. It s all here in one convenient location - wrapped up in a concise, 76 page book that tells you what you need to be successful without wasting a moment of your time. There is no fluff, wasted space or long-winded analogies. There are only facts and insights that you can use to your advantage starting immediately. Best of all, this is not a technical book by any stretch of the imagination. It s a conversational discussion from one interested professional to another.

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
