Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Simon followed in the footsteps of his father and his uncles John and Michael when he entered Cambridge University after a very promising childhood in the West Country. He travelled across the world on his gap year-out helping to look after young people in holiday camps. Simon gave up a potential six figure salary in London to spread the gospel full time. These were very dark days for Simon. He had found God and was just emerging from the shock and shame put upon him from the terrible attack in Honolulu. As he wandered down the long dark corridors of the psychiatric hospital far away from the wonderful life he had always enjoyed, his career up and gone, his health at risk and abandoned by all his friends, he saw little or none of his past life that had slipped away. He was surrounded by men and women with long term mental health disorders. It was a long and painful road for him. I met Simon in 2001 when he was low and surrounded by lots of foes. Together we fought by God's grace to loose him from their grip. He began his long trip back up, and now is moving on...
