Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

DEES HARD LIMITS MASTERS OF THE CATS VOLUME 2

Riverdale Avenue Books. Paperback. Condition: New. 236 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. Best-selling erotic romance author Trinity Blacio (Running with Fear) brings her unique blend of paranormal mnage to the realm of vampires and shape-shifters with her new series, Masters of the Cats, a world where every woman has three masters to love her. In the first book of the Masters of the Cats series, Collaring the Saver-Tooth, Maya, the matriarch of a cat-shifter clan, discovers that someone or something is out to murder every member of her species. In the midst of this massacre, true love finds her, but it is in the form of three alien men who are bonded to each other, and now her. In the second installment of this series, Mayas daughter Dee, who has been fending for herself for years, learns about love, loss and redemption. Every time her mother was around, Dee saw the pain in her eyes. She was born from violence, her father was a killer, rapist and literally the bogeyman of her nightmares. All Dee wanted was someone strong enough to love and protect her the way she craved, but could she keep them safe from her father Talhrn was the oldest of his kind. He had been created from different species, like a robot, with no mother or father. He had no memories of a loving childhood, just non-stop training, but all of was going to change. With his werus, Todd and Marquis, at his side, they would let nothing stop them from claiming their Little Kitten, Dee. She was everything they could want, strong, beautiful and in need of someone powerful enough to take her in hand. Now all they had to do was guard her from the monster that stalked her every move. Together nothing will...
