Raymond, Viscount Marblethorpe, eldest son to Elisa and stepson to Vaughn Wardell, casts off the solitary confines of a mourning widower to seek the company of his extended family. His sharp-eyed cousins and siblings refuse to let him lie to himself, even if he must deceive the ton to save the family from yet another scandal. A Sexy Historical Romance Praise for Tracy Cooper-Posey's historical romances: The main reason I ever began reading Cooper-Posey's work was her adventurous historical fiction - and she's back at it, in high style. You will struggle to put it down. It is truly historical romance at its finest! One of the better historical romances this reviewer has read in a long time. Readers will be swept up into this stunning historical story. Amazing amount of detail to the time period. One of the best historical romances I have read this year. Tracy Cooper-Posey deftly blends historical detail with heart-touching romance. Tracy Cooper-Posey is an Amazon #1 Best Selling Author. She writes science fiction and romance. She has published over 85 books since 1999, been nominated for five CAPAs including Favorite Author, and won the Emma Darcy Award. She turned to indie publishing in...
