

Epidemiology and the People s Health: Theory and Context (Paperback)

By Nancy Krieger

Oxford University Press Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Epidemiology is often referred to as the science of public health. However, unlike other major sciences, its theoretical foundations are rarely articulated. By tracing its history and contours from ancient societies on through the development of-and debates within-contemporary epidemiology worldwide, Dr. Krieger shows how epidemiologic theory has long shaped epidemiologic practice, knowledge, and...
