The Negro (Paperback)

By W E B Du Bois

Classics Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The time has not yet come for a complete history of the Negro peoples. Archaeological research in Africa has just begun, and many sources of information in Arabian, Portuguese, and other tongues are not fully at our command; and, too, it must frankly be confessed, racial prejudice against darker peoples is still too strong in so-called civilized centers for judicial appraisal of the peoples of Africa. Much intensive monographic work in history and science is needed to clear mooted points and quiet the controversialist who mistakes present personal desire for scientific proof. Nevertheless, I have not been able to withstand the temptation to essay such short general statement of the main known facts and their fair interpretation as shall enable the general reader to know as men a sixth or more of the human race. Manifestly so short a story must be mainly conclusions and generalizations with but meager indication of authorities and underlying arguments. Possibly, if the Public will, a later and larger book may be more satisfactory on these points. W. E. BURGHARDT DU BOIS.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
