CROSSWAY BOOKS, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. The local church is meant to be living, growing, distinct, and God-glorifying. Yet many disagree about what a church really is and what it should look like. This study works through seven biblical aspects of the church and, in so doing, helps participants to discover a big-picture vision of the church. A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.
