Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

WHITE HEAT BEAST (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Shawn Allen Brown wakes up in a hospital bed and in a daze of confusion begins to reflect over his life. This book is not written in chronological order, but as the chapters progress, something very sinister begins to unfold. Shawn is a young street thug from a family of criminals. Although he is part of the only white family in his area of the black urban ghetto, Shawn s brother Barry is the most feared and respected gang member around. But Shawn has his own talents, including the sexual prowess of a porn star, the body of an NFL running back and the brain of an A student. But he also has the desires of a hardened criminal deep within his heart, until he decides to straighten his life out by joining the military. In his only opportunity to escape prison or the grave, Shawn is secretly guided by a hidden hand, into becoming a guinea pig for a clandestine military project that had singled him out when he was only a child. The unknown things they inject in his body and the events that follow will land him in a life or death battle and leave him changed forever.
