CAPTAIN MACKLIN: HIS MEMOIRS (PAPERBACK)

Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It may seem presumptuous that so young a man as myself should propose to write his life and memoirs, for, as a rule, one waits until he has accomplished something in the world, or until he has reached old age, before he ventures to tell of the times in which he has lived, and of his part in them. But the profession to which I belong, which is that of a soldier, and which is the noblest profession a man can follow, is a hazardous one, and were I to delay until to-morrow to write down what I have seen and done, these memoirs might never be written, for, such being the fortune of war, to-morrow might not come. So I propose to tell now of the little I have accomplished in the first twenty-three years of my life, and, from month to month, to add to these memoirs in order that, should I be suddenly taken off, my debit and credit pages may be found carefully written up to date and carried forward. On the other hand, should I live to be an old man, this record of my career will furnish me with material for a more complete autobiography, and will serve as a safeguard against a failing memory.
