In his latest book, Matt Kloskowski shows you how to restore old photos and retouch newer ones to make your images go from so-so to great. Matt trains thousands of people each year, showing them exactly how to make their photos (and the people in those photos) look their very best. He won't bog readers down with unnecessary details, but instead will show them, with clear step-by-step instructions, the best techniques in Photoshop Elements to make the best images. Everyone wants their photos to look great, and to be appreciated and noticed by their family and friends. With Matt's newest book, readers will learn the most useful techniques for restoring old photos--from removing dust and mold to repairing scratches and tears--and retouching images of people--including specific sections about working on difficult areas, such as the eyes and mouth. 305 pp. Englisch.
