Trafford Publishing, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The message in this book is a struggle to make real to the believers the hidden prosperity of an almost unknown truth, of the word of God. The publisher has felt for years that the disciples had a power to which we are utterly strangers, and that this power should belong to the believers. God has been seeking a solution to this problem and he is waiting for his word to be an unveiling of the hidden truth. I hope that others will build upon this foundation, and that before the return of our Lord, Christ Jesus, the holy redeemer and savior, the messiah, the anointed one, that a portion at least of the body of believers will be living in the freshness of the power of the Life style of the first Christians, the early Church in Jerusalem. If this book has enlightened you, then pass it on so that others may be comforted and enlightened of this truth. This is the whole purpose and goal for the publishing of this book, that others will desire and choose to read God s sacred Holy word, the Bible, and to fellowship one to another. 1 John 1:4-10 Let us pray that God will continue to bless America.
