

## A Manual of French Prosody: For the Use of English Students (Paperback)

By Arthur Gosset

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE month of September is far from being a harvest month with English printing-presses, but it is even more of a dead season with French publishers. We have to-day to notice nothing but school-books, and most of those English. In the first place and most closely connected with literature, may be notice Mr. Gosset s Manual of French Prosody, a very good book in itself, and one to be the more welcomed that it comes from a Fellow of New College, Oxford. For whatever the educational advantages or disadvantages of the modern side maybe, the advantages at least will never be fully experienced till the studies of the modern side are made in the full sense liberal and academic. Mr. Gosset justly says that the way in which English boys and English men are for the most part supposed to know French versification by the light of nature is singular, and if he had chosen he might have given instances of the still more singular results of the supposition. In one of the foremost magazines for this month there is...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*
