

## Advances in Exemplary Instruction: Proven Practices in Higher Education (Paperback)

By Kelly a Flores

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Engaging students in today s higher education classrooms, which range from online to live environments, requires innovative methods that can be adapted as needed. Known for its fresh approach to teaching working adults in a variety of modalities, City University of Seattle (CityU) serves as a guide to other colleges and university instructors on how to stay relevant as educators. Advances in Exemplary Instruction, the fourth book in the Proven Practices in Higher Education series, is a collection of strategies successfully used at CityU that can be incorporated into your course development and delivery or used as a reference from which you can craft your own unique methods. Each chapter is written by a different author or set of authors and addresses a teaching practice that has proven effective in the classroom. Organized into three sections, you will learn how to improve students engagement in three key ways: student-to-content, student-to-student, and student-to-self. From tips on how to use video and social networking to increase student involvement to how visualization techniques can cultivate data literacy, this academic manual presents creative ideas-backed by research, theory,...
