Skyhorse Publishing, United States, 2014. Hardback. Condition: New. Malia Carter (illustrator). Language: English . Brand New Book. Chic-tionary is a darling little dictionary of fashion and beauty words you never knew existed. It takes its inspiration from the peculiar and amusing language of fashion people like Tyra Banks (smize), Man Repeller (arm party), and Andre Leon Tally (dreckitude), and contains more than two hundred made-up acronyms, abbreviations, and afflictions that are certain to leave an indelible glitter stain on the English language. Have you ever tried something on at a department store without bothering to hang it back up (fit it then quit it)? Or been saved by a Sephora when a last-minute invitation strikes and you re without makeup (serendipretty)? Are you a dark-haired maiden who s tired of letting blondes believe they have more fun (brunetiquette)? Other terminally chic terminology includes: accessorcism What needs to happen when you feel possessed to wear every piece of jewelry you own, all at once. bangover The morning-after remorse that occurs after getting bangs that are too short and don t behave. dresspassing When another woman invades your territory by showing up in the same dress as you. fete-abolism The phenomenon in which calories consumed while standing and making small talk at a fete don t count. ideal body weight Bradley Cooper on top of you. prisoner of wardrobe What you become when you turn down an invitation .And more!.
