DR CRIPPEN (HARDBACK)

Bloomsbury Publishing PLC, United Kingdom, 2008. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Dr Crippen s murder of his wife Cora has stuck in the public imagination for many reasons: the harmless demeanour of this cold-blooded poisoner; the flamboyant victim; and, the dismembered body in the cellar at the infamous 39 Hildrop Crescent - and not forgetting a dramatic police chase which caught Crippen and his mistress Ethel le Neve halfway across the Atlantic. The story has all the best ingredients: sex and love, secrets and lies, but it is the detail from the documents that fascinates, such as Crippen s account of marital bickering that preceded his wife s disappearance, and the daily media accounts of the police net closing on the fleeing couple. This bloody history combines a gripping narrative with facts from witness statements, police reports, and the chilling words of a killer claiming So far as I know she is still alive .
