HarperCollins Publishers Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. In this extraordinary and harrowing memoir, follow one GI s tour of duty as Ryan Smithson brings readers inside a world that few understand. This is no ordinary teenager s story. Instead of opting for college life, Ryan Smithson joined the Army Reserve when he was seventeen. Two years later, he was deployed to Iraq as an Army engineer. His story--and the stories of thousands of other soldiers--is nothing like what you see on CNN or read about in the New York Times. This unforgettable story about combat, friendship, fear, and a soldier s commitment to his country peels back the curtain on the realities of war in a story all Americans should read.
