

The Photoshop Elements 5 Restoration and Retouching Book [Taschenbuch] by Klo.

By Matt; Kloskowski

Prentice Hall, 2006. Taschenbuch. Condition: Neu. Unbenutzte Restauflage Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - Bring out all your old storage boxes of photos, and open up all the images you've shot that were just 'okay.' In his latest book, Matt Kloskowski shows you how to restore old photos and retouch newer ones to make your images go from so-so to great. Matt trains thousands of people each year, showing them exactly how to make their photos (and the people in those photos) look their very best. He won't bog readers down with unnecessary details, but instead will show them, with clear step-by-step instructions, the best techniques in Photoshop Elements to make the best images. Everyone wants their photos to look great, and to be appreciated and noticed by their family and friends. With Matt's newest book, readers will learn the most useful techniques for restoring old photos--from removing dust and mold to repairing scratches and tears--and retouching images of people--including specific sections about working on difficult areas, such as the eyes and mouth. 305 pp. Englisch.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- Dr. Breana O'Kon
