Abrams, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. In 1993, 10 years after the release of Return of the Jedi, the Topps Company reintroduced the Star Wars universe to collectors with a series of trading cards. Illustrated by the biggest names in science-fiction, fantasy and comics--including Kyle Baker, Moebius, Jon J Muth, William Stout, Walter Simonson, and Boris Vallejo--George Lucas's galaxy is reinterpreted in each artist's own style, portraying favourite characters, recreating classic scenes, and even inventing new scenes the illustrators always wanted to see. These trading-card images became instant fan favourites and the benchmark for visual reinterpretations of Star Wars to come. For the first time, this collection showcases the complete New Visions series; rare promotional images; and an introduction and commentary by Gary Gerani, the original editor of the Topps's Star Wars series.
