Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

NEED

Bloomsbury Publishing Plc. Paperback / softback. Condition: new. BRAND NEW, Need, Carrie Jones, Zara collects phobias the way other girls collect Facebook friends. Little wonder, since life's been pretty rough so far. Her father left, her stepfather just died, and her mother's pretty much checked out. Now Zara's living with her grandmother in sleepy, cold Maine so that she stays "safe." Zara doesn't think she's in danger; she thinks her mother can't deal. Wrong. Turns out that guy she sees everywhere, the one leaving trails of gold glitter, isn't a figment of her imagination. He's a pixie--and not the cute, lovable kind with wings. He's the kind who has dreadful, uncontrollable needs. And he's trailing Zara. With suspense, romance, and paranormal themes, this exciting breakout novel has readers rapidly turning the pages.
