

Abortion Free: Your Manual for Building a Pro-Life America One Community at a Time (Paperback)

Filesize: 4.9 MB

Reviews

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.

(Justus Hettinger)

ABORTION FREE: YOUR MANUAL FOR BUILDING A PRO-LIFE AMERICA ONE COMMUNITY AT A TIME (PAPERBACK)

WND BOOKS, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Abortion is murder. There is no way around it. You can try to justify it by claiming the health of the mother, but the truth is only a small percentage (less than one-tenth of 1 percent by some counts) of the 1 million babies killed each year are to save the mother s life. Instead statistics suggest that 85 percent of all abortions are performed as a means of birth control and are three times more likely to be by a woman on Medicaid. Family planning and abortion clinics in the United States are a \$2 billion a year industry with a 1.3 percent growth for the last five years, with 40 percent of all the country s abortions being performed at Planned Parenthood. For years we have been told that legal abortions were necessary for the health and well being of the mother. It is a lie. Dr. Bernard Nathanson, cofounder of the National Abortion Rights Action League turned Christian antiabortion activist, admitted that his group lied about the number of women dying from illegal abortions. Thanks to people like Dr. Nathanson (pioneer abortionist-turned prolife activist), Troy Newman, Cheryl Sullenger, Abby Johnson (former Planned Parenthood worker), and Lila Rose (undercover antiabortion activist), the truth is out. Abortion clinics by and large are seedy, dirty, nefarious profit centers that don t care a lick about the woman or her rights. They are all about turning a quick buck. Just look at Dr. Kermit Gosnell in Philadelphia. He cut the spinal cords of live babies with scissors. Dr. Douglas Karpen in Houston twisted the heads off of live babies. Another clinic threw remains on their roof to avoid hazardous waste removal fees. Another clinic used a garbage...
