ERIC STANTON. THE DOMINANT WIVES AND OTHER STORIES

Taschen GmbH. Hardback. Condition: new. BRAND NEW, Eric Stanton. The Dominant Wives and Other Stories, Dian Hanson, Femmes fatales have their way. This title features 20 stories from America's premier fetish artist. Eric Stanton (1926-1999) was America's premier fetish artist, a man of very particular tastes, as all fetishists are. Most keep their work and sex preferences separate, but Stanton made his desires the center of his art, pouring his passions onto the page. These preferences included, in no particular order, female dominance, female fighting, mixed gender wrestling, and face sitting. Perhaps if the man born Ernest Stanzoni in New York City, 1926, had grown taller, all would have been different. As happened, he topped out around 5'5" (165 cm), making him smaller and weaker than many women, and rather than bemoan this shortcoming, he chose to eroticize it. Then, like Robert Crumb and Tom of Finland to follow, he put his fantasies on paper. Stanton produced paperback book covers, magazine illustrations, comics and even wrestling and smother videos, but what he is best known for is his Stantoons: self-published 16 to 28-page booklets produced between 1982 and his death in 1999. These booklets best represent Stanton's rich and complex fantasy life, as well as the lives of his fans, whose fantasies he also incorporated. This new hardback edition of The Dominant Wives & Other Stories, brings together the finest of the Stantoons, along with Stanton's most famous series for Irving Klaw: Bound ill Leather, parts 1 and 2. Done in pencil, pen and ink, gouache and mixed media, these 20 stories represent the best of Stanton, who represents the best of fetish.
