Selah Press, LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When I was Young I Flew the Sun Like a Kite is transparently written with heart, soul and passion, carrying the reader back to childhood s innocence, then through the darkness of an off-course life, and finally steering all of us back onto a hope-filled path of love and forgiveness. Kayla Fioravanti is living proof that the mind of a scientist and the heart of a poet can mingle in one body. Kayla is a wife, mother and experienced author whose first three books are filled with scientific information spoken in plain English for the everyday reader.
