

Uncontrolled Experiments in Freedom (Paperback)

By Brian Ellis

Write Bloody Publishing, United States, 2008. Paperback.
 Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Uncontrolled Experiments in Freedom is a manic and shimmering account of the life of Brian Stephen Ellis. His words shiver, babble, rant and constantly threaten to fall apart under the weight of their own gravity. His narratives come from and carry the images of a world where many believe no poetry to exist. This is a second-hand microscope examining the fuzzy science of survival.
