Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This publication, Army Techniques Publication ATP 3-05.2 Foreign Internal Defense August 2015, provides the U.S. Army commanders and staffs information on the concept of planning and conducting foreign internal defense (FID). ATP 3-05.2 describes the fundamentals, activities, and considerations involved in the planning and execution of FID throughout the full range of military operations, and it emphasizes FID as a strategic policy option. This publication serves as the doctrinal foundation for subordinate Army FID doctrine, force integration, materiel acquisition, professional education, and individual and unit training. This publication also serves as the Army s description of FID, which will be useful in the larger joint and interagency environment. The principal audience for ATP 3-05.2 is all members of the profession of arms. Commanders and staffs of Army headquarters serving as joint task force (JTF) or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces. Trainers and educators throughout the Army will also use this publication. ATP 3-05.2 (formerly FM 3-05.2) was last published in 2011. This revision provides special operations forces (SOF) commanders; their staffs; other Services in the Department of Defense (DOD); and joint, interagency, intergovernmental, and multinational audiences, as well as supporting and supported agencies and organizations techniques for providing support to FID operations. The publication provides doctrinal guidance and outlines the necessary requirements for conducting, planning, preparing, and executing missions. Chapter 1 provides an overview of the organization and functions of FID, including the HN internal defense and development (IDAD) program, a comprehensive approach of FID. It also describes the relationship with other operations and U.S. national objectives and policy throughout the range of military operations....
