Xulon Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is so much in life, and about life we learn on a daily basis. No matter how young you are, or how old you may be, life is a journey for everyone. In this journey, we go through seasons of life. There is summer, fall, winter and spring. Some seasons last longer than others, but they all have an important part to play in our lives. As we venture to live in the times of each season, we will always see that they are never the same, and as people we must be willing to adjust to the changes, the temperature, and climate that we are placed in. Even during the times, when it seems like it will never stop raining, I can still have joy and a smile, because I know that sooner or later the sun is going to shine, and the clouds are going to move, and the dew that has fallen upon the grass will bring moisture to the flowers, so they can blossom and become who they were purposed to be. So, I say to you, despise not the times when life becomes challenging. Embrace the difference in others, so that you can learn to love who God has made you to be. Never give up on your dreams, because your dreams, never gives up on you. That s why you keep having those dreams, because they want to become reality in your life. When you can t find encouragement from nobody else, encourage yourself. It is very important that even at a young age, you live your life today, for your tomorrow. Just remember, without God we can fail, but with him and through...
