Pen Sword Books Ltd, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Based on intelligence documents, personal testimonies, memoirs and official histories, including material only declassified in 2010, Guarding Hitler provides the reader with a fascinating inside look at the secret world of Hitler s security and domestic arrangements. The book focuses in particular on both the official and private life of Hitler during the latter part of the war, at the Wolfs Lair at Rastenburg, and Hitler s private residence at Berchtesgaden, the Berghof. Guarding Hitler manages to offer fresh insights into the life and routine of the Fuhrer, and most importantly the often indiscreet opinions, observations and activities of the little people who surrounded Hitler but whose stories have been overshadowed by the great affairs of state. It covers not only the plots against Hitler s life but the way security developed as a result. His use of doubles is examined as is security whilst travelling by land or air. As little has been written about the security and domestic life of Adolf Hitler, Guarding Hitler allows the reader to delve deeper into this previously overlooked but nonetheless fascinating aspect of the world s most infamous man.
