Editorial Pax Mexico. Paperback. Condition: New. 96 pages. Dimensions: 8.1in. x 5.5in. x 0.2in. In this inspiring guide, Julio Bevione proposes that the secret to a foundational, lasting peace is a conscious acceptance of what is currently happening. The key to this is a connection with the inner spirit, which doesn't recognize fear as a paralyzing emotion on the road to peace and promotes love: a love of self, of others, and of the present moment. The counterpoint of this self-knowledge, of the revelation of the true self, is ego, which the book describes as a constant process of discovery of what one is not. For readers struggling with the frustration of an existence marked at every turn by the influence of the ego, this spiritual handbook offers a different path. En esta guía inspirante, Julio Bevione propone que el secreto para una paz fundacional y duradera es una aceptación consciente de lo que pasa en el momento actual. La clave para esto es una conexión con el espíritu interior, el cual no reconoce el miedo o un sentimiento paralizante en el camino a la paz y promueve el amor: un amor del yo, de los otros y del momento presente. El contrapunto de este autoconocimiento, de la revelación del ser verdadero, es el ego, el cual el libro describe como un proceso constante de descubrir lo que uno no es. Para el lector lidiando con la frustración de una existencia marcada a cada paso por la influencia del ego, este manual espiritual ofrece un camino diferente. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
