Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tree Planting on Rural School Grounds A great number of schoolhouses in the United States lack the surroundings that make for comfort and contentment. City school grounds are often so small that planting is out of the question, though, where Space permits, it is not uncommon to find them carefully laid out, with a good arrangement of grass plots, flower beds, and shade trees. In towns and villages, also, may be pointed out many examples showing great care and attention. In the country, however, an improved school ground is rarely found. In hilly, forest regions they are often denuded of soil and full of stones and stumps, and on the prairie many are well-nigh as bare, bleak, and inhospitable as when they formed a part of the unsettled plain. This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
