

The Seven Military Classics of Ancient China

By -

Basic Books (AZ). Paperback. Condition: New. 592 pages. Dimensions: 9.1in. x 6.1in. x 1.7in. The Seven Military Classics is one of the most profound studies of warfare ever written. It presents us with an Eastern tradition of strategic thought that emphasizes outwitting ones opponent through speed, stealth, flexibility, and a minimum of force an approach very different from that stressed in the West, where the advantages of brute strength have overshadowed more subtle methods. Safeguarded for centuries by the ruling elites of imperial China, even in modern times these writings have been known only to a handful of Western specialists. In this volume are seven separate essays, written between 500 b. c. and a. d. 700, that preserve the essential tenets of strategy distilled from the experience of the most brilliant warriors of ancient China. Only one of these seven essays, Sun Tzu's famous Art of War, has been readily available in the West. Thanks to this faithful translation of the complete Seven Military Classics, the insights of these ancient Chinese texts are now accessible in their entirety. Its not uncommon to see a salaryman on a crowded Tokyo subway studying one of the many popular Japanese editions of these essays. But...
