Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *The Taxation of Negroes in Virginia* The present essay is the result of my investigations while I held the Phelps-Stokes Fellowship at the University of Virginia during the session of 1915 - 16. In it I have endeavored to portray the attitude of Virginia toward the negro problem as it is reflected through one phase, taxation, of the state's activities. As a first consideration, I have sought a strict adherence to facts, and it has been my purpose in every instance to give an unbiased interpretation of the data presented. So far as I am aware, no specialized study of the taxation of negroes has ever been undertaken for any state or city. This fact alone is a sufficient justification for the appearance of the present essay. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
